4.2 Time is of the essence in the performance of this Agreement. If the Supplier fails to make available or provide any Goods or Services within the delivery schedule stated on any Purchase Order, together with associated shipment documentation (including, without limitation, bills of lading, airway bills and commercial invoices) as are specified in the Purchase Order, this Agreement, or otherwise as are customarily utilized in the trade, IOM reserves the right to:

- (a) Terminate the Purchase Order without liability by giving immediate notice, and to charge the Supplier any loss incurred as a result of the Supplier's failure to make the delivery within the time specified; or
- (b) Charge liquidated damages equal to 0.1% (one-tenth of one per cent) of the Price for every day of delay or breach of the delivery schedule by the Supplier. IOM shall have the right to deduct such amount from the Supplier's outstanding invoices, if any. Such liquidated damages shall only be applied when delay is caused solely by the default of the Supplier.

Acceptance of goods delivered late shall not be deemed a waiver of IOM's rights to hold the Supplier liable for any loss and/or damage resulting therefrom, nor shall it act as a modification of the Supplier's obligation to deliver further goods in accordance with a Purchase Order or this Agreement.

5. Performance Security

- 5.1 If required by IOM, the Supplier shall provide IOM with a performance security (the “**Performance Security**”) in an amount equivalent to [10 (ten)] per cent of the Price, to be issued by a reputable bank or company, and in the format acceptable to IOM.
- 5.2 The Performance Security shall serve as the guarantee for the Supplier’s satisfactory performance and compliance with the terms and conditions of this Agreement. The amount of the Performance Security shall not be construed as the limit of the Supplier’s liability to IOM, in the event of breach of this Agreement by the Supplier. The Performance Security shall be effective until 30 (thirty) days from the completion of Supplier’s obligations under relevant Purchase Order following which it will be released by IOM.

6. Inspection and Acceptance

- 6.1 Where any annexed Technical Specifications state what inspections and tests are required and where they will be carried out, those terms will prevail in the event of any inconsistency with the provisions in this clause.
- 6.2 IOM or its representative shall have the right to inspect and/or test the Goods at no extra cost to IOM at the premises of the Supplier, at the point of delivery or at the final destination. The Supplier shall facilitate such inspections and provide required assistance.
- 6.3 IOM shall have 30 (thirty) calendar days after receipt of the Goods to inspect them and either accept or reject them as non-conforming with this Agreement. Based on an inspection of a valid sample, IOM may reject the entire delivery. IOM may also charge the cost of inspecting rejected Goods to the Supplier. IOM’s right to reject the Goods shall not be limited or waived by the Goods having been previously inspected or tested by IOM prior to delivery. At the request of IOM, the Supplier will replace some or all rejected Goods at the Supplier’s cost (including transportation), or fully reimburse IOM for the price paid (including transportation) for the rejected Goods. IOM may return rejected Goods to the Supplier (transportation charges for the Supplier’s account), or hold rejected Goods for disposition at Supplier’s risk and expense.
- 6.4 The Supplier agrees that IOM’s payment under this Agreement shall not be deemed acceptance of any Goods delivered hereunder.
- 6.5 The Supplier agrees that any acceptance of the Goods and Services by IOM does not release the Supplier from any warranty or other obligations under this Agreement.

- 6.6 Title to the Goods shall pass to IOM when the Goods are delivered and accepted by IOM. The Supplier shall bear the risk of loss, damage, or destruction of the Goods in accordance with the Incoterm® (2020) provided in the Purchase Order. In case no Incoterm® (2020) is provided in the Purchase Order, the risks mentioned in the preceding sentence shall pass at the same time the title to the Goods passes to IOM.

7. Adjustments

- 7.1 IOM reserves the right to change at any time the quantities, packaging, unit size, place, method and/or time of delivery or the Services to be provided. Where the Goods are being specifically produced for IOM, IOM may also make changes to the drawings, designs or specifications.
- 7.2 The Supplier agrees to proceed with this Agreement in accordance with any such change(s) and to submit a claim request for an equitable adjustment in the Price or delivery terms caused by such change(s).
- 7.3 IOM may deem any claim by the Supplier for equitable adjustments under this clause waived unless asserted in writing within 10 (ten) days from the date of receipt by the Supplier of IOM's change(s).
- 7.4 No change in, modification of, or revision to this Agreement shall be valid unless made in writing and signed by an authorized representative of IOM.

8. Packaging

- 8.1 The Supplier must provide proper and adequate packaging in accordance with best commercial practice, to ensure that the Goods being delivered to IOM will be free of damage. Packaging must be adequate to allow for rough handling during transit, exposure to extreme temperatures, salt and precipitation during transit and open storage, with consideration for the type of Goods and transportation mode. IOM reserves the right to reject any delivery that is deemed not to have been packaged adequately.
- 8.2 Packing, marking and documentation shall comply with any requirements or instructions notified by IOM.

9. Warranties

- 9.1 The Supplier warrants that all Goods supplied under this Agreement shall have no defect, arising from design, materials, or workmanship or from any act or omission of the Supplier that may develop under normal use of the supplied Goods in the conditions prevailing in the country of final destination.

- 9.2 The Supplier warrants that all Goods supplied under this Agreement are new, unused, of the most recent or current models and that they incorporate all recent improvements in design and materials unless provided otherwise in this Agreement. All Goods and Services delivered under this Agreement will conform to the specifications, drawings, samples, or other descriptions furnished or specified by IOM.
- 9.3 IOM shall promptly notify the Supplier in writing of any claims arising under any warranty contained in Articles 9.1 or 9.2 of this Agreement. Upon receipt of such notice, the Supplier shall, within the time period specified in the notice, repair or replace the defective Goods or parts thereof, without cost to IOM. IOM's continued use of such Goods after notifying the Supplier of their defect or failure to conform or breach of warranty will not be considered a waiver of any of IOM's rights regarding the Supplier's warranty.
- 9.4 The Supplier further represents and warrants that:
- (a) It has full title to the Goods, is fully qualified to sell the Goods to IOM, and is a company financially sound and duly licensed, with adequate human resources, equipment, competence, expertise and skills necessary to provide fully and satisfactorily, within the stipulated completion period, all the Services in accordance with this Agreement;

The Supplier shall not be liable for any excess costs if the failure to perform under the Purchase Order or Agreement arises from causes beyond its control and without fault or negligence of the Supplier.
- 21.4 Upon any such termination, the Supplier shall waive any claims for damages including loss of anticipated profits on account thereof.
- 21.5 In the event of suspension of any Purchase Order or the Agreement, IOM will specify the scope of activities and/or deliverables that shall be suspended in writing.
