Unless there are exceptional reasons, the financial negotiations will involve neither the remuneration rates for staff nor other proposed unit rates.
- 11.4 Having selected the Service Provider/ Consulting Firm on the basis of, among

other things, an evaluation of proposed key professional staff, IOM expects to negotiate a contract on the basis of the experts named in the proposal. Before contract negotiations, IOM shall require assurances that the experts shall be actually available. IOM will not consider substitutions during contract negotiation unless both parties agree that the undue delay in the selection process makes such substitution unavoidable or for reasons such as death or medical incapacity. If this is not the case and if it is established that staff were referred in their proposal without confirming their availability the Service Provider/ Consulting Firm may be disqualified. Any proposed substitution shall have equivalent or better qualifications and experience than the original candidate.

- 11.5 All agreement in the negotiation will then be incorporated in the description of services and form part of the Contract.
- 11.6 The negotiations shall conclude with a review of the draft form of the Contract which forms part of this RFP (Section VI). To complete negotiations, IOM and the Service Providers/ Consulting Firms shall initial the agreed Contract.  - (e) an obstructive practice, defined as (i) deliberately destroying, falsifying, altering or concealing of evidence material to IOM investigations, or making false statements to IOM investigators in order to materially impede a duly authorized investigation into allegations of fraudulent, corrupt, collusive, coercive or unethical practices; and/or threatening, harassing or intimidating any party to present it from disclosing its knowledge of matters relevant to the investigation or from pursuing the investigation; or (ii) acts intended to materially impede the exercise of IOM's contractual rights of access to information.
 - (f) any other unethical practice contrary to the principles of efficiency and economy, equal opportunity and open competition, transparency in the process and adequate documentation, highest ethical standards in all procurement activities.

4.3 The Service Provider further warrants that it shall:

- (a) Take all appropriate measures to prohibit and prevent actual, attempted and threatened sexual exploitation and abuse ("SEA") by its employees or any other persons engaged and controlled by it to perform activities under this Agreement ("other personnel"). For the purpose of this Agreement, SEA shall include:
 1. Exchanging any money, goods, services, preferential treatment, job opportunities or other advantages for sexual favours or activities, including humiliating or degrading treatment of a sexual nature; abusing a position of vulnerability, differential power or trust for sexual purposes, and physical intrusion of a sexual nature whether by force or under unequal or coercive conditions.
 2. Engaging in sexual activity with a person under the age of 18 ("child"), except if the child is legally married to the concerned employee or other personnel and is over the age of majority or consent both in the child's country of citizenship and in the country of citizenship of the concerned employee or other personnel.
- (b) Strongly discourage its employees or other personnel having sexual relationships with IOM beneficiaries.
- (c) Report timely to IOM any allegations or suspicions of SEA, and investigate and take appropriate corrective measures, including imposing disciplinary measures on the person who has committed SEA.
- (d) Ensure that the SEA provisions are included in all subcontracts.
- (e) Adhere to above commitments at all times.

- 4.4 The Service Provider expressly acknowledges and agrees that breach by the Service Provider, or by any of the Service Provider's employees, contractors, subcontractors or agents, of any provision contained in Articles 4.1, 4.2 or 4.3 of this Agreement constitutes a material breach of this Agreement and shall entitle IOM to terminate this Agreement immediately on written notice without liability. In the event that IOM determines, whether through an investigation or otherwise, that such a breach has occurred then, in addition to its right to terminate the Agreement, IOM shall be entitled to recover from the Service Provider all losses suffered by IOM in connection with such breach.

5. Assignment and Subcontracting

- 5.1 The Service Provider shall not assign or subcontract the activities under this Agreement in part or all, unless agreed upon in writing in advance by IOM. Any subcontract entered into by the Service Provider without approval in writing by IOM may be cause for termination of the Agreement.
- 5.2 In certain exceptional circumstances by prior written approval of IOM, specific jobs and portions of the Services may be assigned to a subcontractor. Notwithstanding the said written approval, the Service Provider shall not be relieved of any liability or obligation under this Agreement nor shall it create any contractual relation between the subcontractor and IOM. The Service Provider shall include in an agreement with a subcontractor all provisions in this Agreement that are applicable to a subcontractor, including relevant Warranties and Special Provisions. The Service Provider remains bound and liable thereunder and it shall be directly responsible to IOM for any faulty performance under the subcontract. The subcontractor shall have no cause of action against IOM for any breach of the subcontract.

6. Defaults, Defaults and Force Majeure

- 6.1 Time is of the essence in the performance of this Agreement. If the Service Provider fails to provide the Services within the times agreed to in the Agreement, IOM shall, without prejudice to other remedies under this Agreement, be entitled to deduct liquidated damages for delay. The amount of such liquidated damages shall be 0.1% of the value of the total Service Fee per day or part thereof up to a maximum of 10% of the Service Fee. IOM shall have the right to deduct such amount from the Service

Provider's outstanding invoices, if any. Such liquidated damages shall only be applied when delay is caused solely by the default of the Service Provider. Acceptance of Services delivered late shall not be deemed a waiver of IOM's rights to hold the Service Provider liable for any loss and/or damage resulting therefrom, nor shall it act as a modification of the Service provider's obligation to perform further Services in accordance with the Agreement.

6.2 In case of failure by the Service Provider materially to perform in accordance with the Agreement, IOM may, after giving the Service Provider 30 days' written notice to perform and without prejudice to any other rights or remedies, terminate the Agreement with immediate effect without liability.

6.3 Neither Party will be liable for any delay in performing or failure to perform any of its obligations under this Agreement if such delay or failure is caused by force majeure, which means any unforeseeable and irresistible act of nature, any act of war (whether declared or not), invasion, revolution, insurrection, terrorism, blockade or embargo, strikes, Governmental or state restrictions, natural disaster, epidemic, public health crisis, and any other circumstances which are not caused by nor within the control of the affected Party.

As soon as possible after the occurrence of a force majeure event which impacts the ability of the affected Party to comply with its obligations under this Agreement, the affected Party will give notice and full details in writing to the other Party of the existence of the force majeure event and the likelihood of delay. On receipt of such notice, the unaffected Party shall take such action as it reasonably considers appropriate or necessary in the circumstances, including granting to the affected Party a reasonable extension of time in which to perform its obligations. During the period of force majeure, the affected Party shall take all reasonable steps to minimize damages and resume performance.

IOM shall be entitled without liability to suspend or terminate the Agreement if the Service Provider is unable to perform its obligations under the Agreement by reason of force majeure. In the event of such suspension or termination, the provisions on Termination herein shall apply.

7. Independent Contractor

The Service Provider, its employees and other personnel as well as its subcontractors and their personnel, if any, shall perform all Services under this Agreement as an independent contractor and not as an employee or agent of IOM.

8. Audit

The Service Provider agrees to maintain financial records, supporting documents, statistical records and all other records relevant to the Services in accordance with generally accepted accounting principles to sufficiently substantiate all direct and indirect costs of whatever nature involving transactions related to the provision of Services under this Agreement. The Service Provider shall make all such records available to IOM or IOM's designated representative at all reasonable times until the expiration of 7 (seven) years from the date of final payment, for inspection, audit, or reproduction. On request, employees of the Service Provider shall be available for interview.

9. Confidentiality

9.1 All information which comes into the Service Provider's possession or knowledge in connection with this Agreement is to be treated as strictly confidential. The Service Provider shall not communicate such information to any third party without the prior written approval of IOM. The Service Provider shall comply with IOM Data Protection Principles in the event that it collects, receives, uses, transfers or stores any personal data in the performance of this Agreement. These obligations shall survive the expiration or termination of this Agreement.

9.2 Notwithstanding the previous paragraph, IOM may disclose information related to this Agreement, such as the name of the Service Provider and the value of the Agreement, the title of the contract/project, nature and purpose of the contract/project, name and locality/address of the Service Provider and the amount of the contract/project to the extent as required by IOM's donors or in relation to IOM's commitment to any initiative for transparency and accountability of funding received by IOM in accordance with the policies, instructions and regulations of IOM.

10. Intellectual Property

All intellectual property and other proprietary rights including, but not limited to, patents, copyrights, trademarks, and ownership of data resulting from the performance of the Services shall be vested in IOM, including, without any limitation, the rights to use, reproduce, adapt, publish and distribute any item or part thereof.

11. Notices

Any notice given pursuant to this Agreement will be sufficiently given if it is in writing and received by the other Party at the addresses of IOM and Service Provider provided on the PO.

12. Dispute Resolution

12.1 Any dispute, controversy or claim arising out of or in relation to this Agreement, or the breach, termination or invalidity thereof, shall be settled amicably by negotiation between the Parties.

12.2 In the event that the dispute, controversy or claim has not been resolved by negotiation within 3 (three) months of receipt of the notice from one party of the existence of such dispute, controversy or claim, either Party may request that the dispute, controversy or claim is resolved by conciliation by one conciliator in accordance with the UNCITRAL Conciliation Rules of 1980. Article 16 of the UNCITRAL Conciliation Rules does not apply.

12.3 In the event that such conciliation is unsuccessful, either Party may submit the dispute, controversy or claim to arbitration no later than 3 (three) months following the date of termination of conciliation proceedings as per Article 15 of the UNCITRAL Conciliation Rules. The arbitration will be carried out in accordance with the 2010 UNCITRAL arbitration rules as adopted in 2013. The number of arbitrators shall be one and the language of arbitral proceedings shall be English, unless otherwise agreed by the Parties in writing. The arbitral tribunal shall have no authority to award punitive damages. The arbitral award will be final and binding.

12.4 The present Agreement as well as the arbitration agreement above shall be governed by the terms of the present Agreement and supplemented by internationally accepted general principles of law for the issues not covered by the Agreement, to the exclusion of any single national system of law that would defer the Agreement to the laws of any given jurisdiction. Internationally accepted general principles of law shall be deemed to include the UNIDROIT Principles of International Commercial Contracts. Dispute resolution shall be pursued confidentially by both Parties. This Article survives the expiration or termination of the present Agreement.

13. Use of IOM Name, Abbreviation and Emblem

The Service Provider shall not be entitled to use the name, abbreviation or emblem of IOM without IOM's prior written authorisation. The Service Provider acknowledges that use of the IOM name, abbreviation and emblem is strictly reserved for the official purposes of IOM and protected from unauthorized use by Article 6ter of the Paris Convention for the Protection of Industrial Property, revised in Stockholm in 1967 (828 UNTS 305 (1972)).

14. Status of IOM

Nothing in or relating to the Agreement shall be deemed a waiver, express or implied, of any of the privileges and immunities of the International Organization for Migration as an intergovernmental organization.

15. Guarantee and Indemnities

15.1 The Service Provider shall guarantee any work performed under this Agreement for a period of 12 (twelve) months after final payment by IOM under this Agreement.

15.2 The Service Provider shall at all times defend, indemnify, and hold harmless IOM, its officers, employees, and agents from and against all losses, costs, damages and expenses (including legal fees and costs), claims, suits, proceedings, demands and liabilities of any kind or nature to the extent arising out of or resulting from acts or omissions of the Service Provider or its employees, officers, agents or subcontractors, in the performance of this Agreement. IOM shall promptly notify the Service Provider of any written claim, loss, or demand for which the Service Provider is responsible under this clause. This indemnity shall survive the expiration or termination of this Agreement.

16. Waiver

Failure by either Party to insist in any one or more instances on a strict performance of any of the provisions of this Agreement shall not constitute a waiver or relinquishment of the right to enforce the provisions of this Agreement in future instances, but this right shall continue and remain in full force and effect.

17. Termination

17.1 IOM may at any time suspend or terminate this Agreement, in whole or in part, with immediate effect, by providing written notice to the Service Provider, in any case where the mandate of IOM applicable to the performance of the Agreement or the funding of IOM applicable to the Agreement is reduced or terminated. In addition, IOM may suspend or terminate the Agreement upon thirty (30) days' written notice without having to provide any justification.

17.2 In the event of termination of this Agreement, IOM will only pay for the Services completed in accordance with this Agreement, unless otherwise agreed in writing by the Parties. The Service Provider shall return to IOM any amounts paid in advance within 7 (seven) days from the notice of termination.

17.3 In the event of any termination of the Agreement, upon receipt of notice of termination, the Service Provider shall take immediate steps to bring the performance of any obligations under the Agreement to a close in a prompt and orderly manner, and in doing so, reduce expenses to a minimum, place no further subcontracts or orders for materials, services, or facilities, and terminate all subcontracts or orders to the extent they relate to the portion of the Agreement. Upon termination, the Service Provider shall waive any claims for damages including loss of anticipated profits on account thereof.

17.4 In the event of suspension of this Agreement, IOM will specify the scope of activities and/or deliverables that shall be suspended in writing. All other rights and obligations of this Agreement shall remain applicable during the period of suspension. IOM will notify the Service Provider in writing when the suspension is lifted and may modify the completion date. The Service Provider shall not be entitled to claim or receive any Service Fee or costs incurred during the period of suspension of this Agreement.

18. Severability

If any part of this Agreement is found to be invalid or unenforceable, that part will be severed from this Agreement and the remainder of the Agreement shall remain in full force.

19. Entirety

This Agreement embodies the entire agreement between the Parties and supersedes all prior agreements and understandings, if any, relating to the subject matter of this Agreement.

20. Entry into Force; Amendments

20.1 This Agreement will enter into force upon signature by both Parties. It will remain in force until completion of all obligations of the Parties under this Agreement unless terminated earlier in accordance with the provisions on Termination.

20.2 No amendment to this Agreement shall be valid or enforceable against IOM unless it is in writing and signed by a duly authorized official of IOM.
